

November 9, 2009

**Dear Orchestra Parents and Guardians,**

One of the biggest Fundraisers for Orchestra is quickly approaching. To be successful this Fundraiser requires between 35 and 45 parent volunteers. It is the perfect opportunity for you to support your child and their commitment to their music and the Orchestra.

**Decal Day is scheduled for Saturday, November 21st, from 7am until 3pm.**

**This is a mandatory fundraiser for all Orchestra students.** Student sign-up sheets will be posted in the Orchestra Room. Time slots are 2 hours in duration. This does not include travel time. Students often sign up to "work with" a friend. As each group signs up, they must include a chaperone name with home number & cell phone number. Please discuss with your student what time frame you are available to chaperone. All you need to do is transport two Orchestra students from the High School to a pre-arranged location and Chaperone while they sell decals for \$1 each.

Should your child elect not to participate there is a \$40.00 buy-out option. **ALL BUY-OUTS MUST BE APPROVED PRIOR TO DECAL DAY BY THE DIRECTORS.** You can take the buy-out option one of two ways. The first would be to mail me a check, made payable to OPA, at the address below, referencing the student's first and last name in the memo section. (As not all students share their parent's last names, this is very important). The second would be to meet with me in the Music Suite on Decal Day and purchase 40 Decals for \$40.00. When sold to your family and friends you would have no out of pocket cost.

You can contact me with any questions, by phone to 732-463-3361, e-mail at [goobette31@verizon.net](mailto:goobette31@verizon.net), referencing Decal Day as the subject, or by mail to 142 Castle Pointe Blvd.

**\*\*\*Please note: If you need to contact me on Decal Day, I will be at PHS from 6:30 am until 3:30 pm. Please call on my cell: 732-718-2859.**

Thank you for your help in making this a success for the Orchestra. If everyone does a little it helps a lot!
